

## Municipal District of Opportunity No. 17

Fire Smart Tender: FFP-21-38 Wabasca  
 Issued by: Regulatory Services Department  
 Closing date: 2022-02-03

### Tender Detail

TENDER INFORMATION																										
Release Date (yyyy-mm-dd)	2022-01-20																									
Closing Date (yyyy-mm-dd) and Time (HH:00)	2022-02-03 12:00 MT																									
Anticipated Award Date (yyyy-mm-dd)	2022-02-09																									
<p><i>Interested contractors must have a minimum of \$2 million liability insurance, WCB account in good standing (date of clearance letter no more than 30 days old), a valid COR or SECOR and a current MD Business License to be considered.</i></p> <p><b>Project Description:</b> Completion of 10.7 ha of vegetation management (fuel reduction) treatment in Wabasca, as per the scope of work. The project includes 1 treatment block WA 56 (10.7 ha). A map indicating the project location is attached (treatment block is yellow in color). <b>Please note that debris disposal must be completed with a chipper and/or mulcher (burning is not an option for this project). Keep that in mind when determining bid price. The MD reserves the right to award contract to one or more contractors.</b></p> <p><b>Scope of Work:</b></p> <ul style="list-style-type: none"> <li>• Prune all conifers greater than 5m in height to a height of 2m.</li> <li>• Increase inter-tree spacing of conifer stems as much as possible up to 4m through removal of smaller and / or immature trees. Merchantable live trees are not to be removed.</li> <li>• All dead limbs on all conifers are to be removed up to a height of 2m.</li> <li>• Thin by mulching using hand crews and/or small mulcher (&lt;200hp).</li> <li>• Prune remaining conifers and remove dead / down debris using hand tools and/or machinery operationally suitable. Larger debris can be piled and transported or cut up for firewood users in the community.</li> <li>• Chip and/or mulch debris on site. <b>NO BURNING PERMITTED.</b></li> <li>• Must complete the scope of work to minimize impact of surface vegetation and soils disturbance of organic layer. If using machinery (i.e. mulcher) must use machinery that is operationally suitable for working on soils that are sensitive to rutting and compaction.</li> </ul> <p><b>Contact Person:</b> Rolanna Auger 780 891 3778 or Kevin Kuhn (technical inquiries) 780 843 5846.</p> <p><b>Tender Submission Instructions:</b> Submit Tender in a sealed envelope marked with Regulatory Services, FFP-21-38 Wabasca. Please drop off tender at the main office located at 2077 Mistassiniy Road, Wabasca Alberta before the closing date and time. <b>Must submit the Bidder Information Form, copies of all requested information, the Bid Sheet and document checklist to qualify as a complete tender submission.</b></p> <tr> <td>Project completion date (yyyy-mm-dd)</td> <td colspan="2">2022-04-30</td> </tr> <tr> <th colspan="3">Scoring Matrix to be used for evaluation (Not necessary the lowest price will be accepted)</th> </tr> <tr> <th>Item</th> <th>Weight (maximum)</th> <th>Comment</th> </tr> <tr> <td>Bid cost</td> <td>60</td> <td>Lowest score is baseline 60, rest a portion thereof.</td> </tr> <tr> <td>Timeframe</td> <td>10</td> <td>Shortest timeframe is the baseline, others a portion thereof</td> </tr> <tr> <td>Previous experience</td> <td>10</td> <td>Most experience is the baseline, others portion thereof.</td> </tr> <tr> <td>Local content</td> <td>20</td> <td>Most local guaranteed content is the baseline, others portion thereof.</td> </tr> <tr> <td>Total</td> <td>100</td> <td></td> </tr>			Project completion date (yyyy-mm-dd)	2022-04-30		Scoring Matrix to be used for evaluation (Not necessary the lowest price will be accepted)			Item	Weight (maximum)	Comment	Bid cost	60	Lowest score is baseline 60, rest a portion thereof. BID SHEET**

**COMPANY INFORMATION**

**Company:**

**Contact Name:**

**Phone:**

**Mailing address:**

**Email:**

**BID PRICE (WITHOUT GST)**

I/We, the undersigned, having examined the tender package documents for the above named project, hereby offer to perform the work in accordance with the tender documents, for a fixed price of:

Timeframe (in Weeks)

**Price per hectare: \$ \_\_\_\_\_ x 10.7 ha (WA 56) = \$ \_\_\_\_\_**

**Project Total: \$ \_\_\_\_\_**

**ADDITIONAL INFORMATION**

**Comments:**

**DECLARATION**

I/we, the undersigned, declare that:

- 1. we understand and acknowledge burning is not allowed and will use mechanical disposal options (i.e. chipper and/or mulcher);**
- 2. we are qualified to perform the work and our bid price covers all of our obligations and things necessary for the performance of the work;**
- 3. we agree to commence the project within 14 days after receiving notice of contract award;**
- 4. we have arrived at this fixed bid price without collusion with any competitor;**
- 5. all documents in the tender package form an integral part of this bid; and**
- 6. the md reserves the right to award the project to one or more contractors.**

**SIGNATURE(S)**

I acknowledge all information provided by the Municipal District of Opportunity No. 17 related to this tender and hereby submit the above pricing for the project named on this sheet.

### **General Tender Information**

The MD, in exercising its discretion to waive a minor or non-substantial irregularity in a Bid, shall follow the guidelines provided below:

	<b>IRREGULARITY</b>	<b>RESPONSE</b>
1	Late Bids (submitted after the 12:00 pm local time on the tender closing day)	MD discretion to accept/reject bid.
2	Unsealed Bids	Automatic rejection, do not open the Bid
3	Bid not completed in non-erasable medium and not signed in ink	Automatic rejection
4	Incomplete Bids / partial Bids / all items not bid upon	Automatic rejection except where the tender form clearly states that an award may be made for individual items or where, in the opinion of the Senior Management Team and the Department Manager, the irregularity is trivial or insignificant
5	Qualified Bids (condition or restriction on the Bid)	Automatic rejection except where the change is requested by the MD, or the MD deems the change to be trivial or insignificant.
6	Bid not properly executed (signature or seal)	Automatic rejection
7	Mathematical errors	May be accepted if corrected in the checking/review procedure. Unit prices shall be used to correct extensions.
8	Bids received on documents other than those provided in the Tender	Automatic rejection unless, in the opinion of the Senior Management Team and the Department Manager, the matter is trivial or insignificant.
9	Erasures, overwriting, corrections, or strikeouts not initialed:	
a)	Changes which are minor (i.e. address, clerical error)	May be accepted, time limit given to initial change
b)	Unit prices have been changed but not initialed and the Bid totals are consistent with the price as amended	May be accepted, time limit given to initial change
c)	Unit prices have been changed but not initialed and the Bid totals are <u>not consistent</u> with the prices as amended	Automatic rejection
10	Minor clerical errors	May be accepted, time limit given to correct and initial
11	Other minor irregularities	The MD shall have the authority to waive irregularities deemed to be minor and immaterial, using a consistent approach to fair practices.
