M.D. of Opportunity No 17
PUBLIC WORKS POLICY

TITLE:	**Residential Hamlet Spring Clean Up**
EFFECTIVE DATE:	**November 9, 2026**
POLICY NUMBER:	**T.26**

Purpose of Policy:

This policy is intended to assist the residents in hamlets with spring yard clean up. The hamlet spring clean-up will be offered during the month of May in all the municipal communities.

Policy Statements

Removal of Items:

1) The hamlet spring clean-up is intended to assist the residents in the removal of large items that would be difficult for the residents to remove for themselves.

2) The MD of Opportunity No. 17 will pick up free of charge the following items:

   White Goods (Refrigerators, Stoves etc);
   Steel Products (Old vehicles, pipe etc.), Furniture; and
   Large burnable items

3) A release and waiver form indicating approval for municipal personnel and equipment to enter private property must be signed by the landowner prior to removal of items.

4) Landowners will be responsible to clearly mark the items to be removed.

5) Items must be clearly marked and on the property that is easily accessible for municipal personnel to remove items.

6) The Public Works department will then pick up the items (at no cost) during the applicable months (weather permitting).

7) The deadline for registration/application for the residential hamlet clean-up will be May 30th

8) This program is not intended for commercial/industrial clean up.
