

**M.D. of Opportunity No 17**  
**TRANSPORTATION POLICY**

**TITLE: SPEED BUMPS**

**EFFECTIVE DATE: March 11, 2015**

**POLICY NUMBER: T.31**

---

**Purpose of Policy:**

This policy is to provide guidelines on the time of installation and removal of speed bumps within our hamlets.

---

**Policy Statements**

- 1) Installing and removing Speed Bumps is the responsibility of the Municipal District Transportation department.
- 2) Installation of Speed Bumps is in the spring months (April/May) when snow fall is no longer predicted.
- 3) Removal of Speed Bumps is in the late fall (September/October) when imminent snow fall is predicted.
- 4) Speed bumps are generally installed in the high traffic residential areas as well as local recreation areas.

APPROVED on MARCH 11, 2015 – MOTION #0183-2015-17MDC
