

M.D. of Opportunity No 17

UTILITIES POLICY

TITLE: RESIDENTIAL WATER & SEWER SERVICES

EFFECTIVE DATE: MARCH 1, 1998

POLICY NUMBER: UT. 3

Purpose of Policy:

This policy is intended to set out the eligibility guidelines and circumstances where the Municipal District of Opportunity will provide trucked water delivery or vacuum truck services.

Policy Statements

1. The residence must be self contained and have adequate cooking and dining facilities.
2. The residence must have all weather access to the water and sewer tanks.
3. The residence will not qualify if it is directly adjacent to a municipal water or sewer main.
4. The residence will not qualify if it has been approved as "work camps" as defined in the municipal Land Use Bylaw.
5. The residence will not qualify if it is a non-compliant building or structures as defined in the municipal Land Use Bylaw.
6. The residential water delivery and sewer services shall be commenced only if a credit application is approved.
