Interested contractors must have a minimum of \$2 million liability insurance, WCB account in good standing (date of clearance letter no more than 30 days old), a valid COR or SECOR and a current MD Business License to be considered.

Project Description: Completion of 25.6 ha of vegetation management (fuel reduction) treatment in Wabasca, as per the scope of work. The project includes 2 treatment blocks WA 61 (11.5 ha) and WA 63 (14.1 ha). A map indicating the project locations attached (treatment blocks are green in color). **Please note that debris disposal must be completed with a chipper and/or mulcher (burning is not an option for this project). Keep that in mind when determining bid price.**

The MD reserves the right to award contract to one or more contractors.

Scope of Work:

- Prune all conifers greater than 5m in height to a height of 2m.
- Increase inter-tree spacing of conifer stems as much as possible up to 4m through removal of smaller and / or immature trees. Merchantable live trees are not to be removed.
- All dead limbs on all conifers are to be removed up to a height of 2m.
- Thin by mulching using hand crews and/or small mulcher (<200hp).
- Prune remaining conifers and remove dead / down debris using hand tools and/or machinery operationally suitable. Larger debris can be piled and transported or cut up for firewood users in the community.
- Chip and/or mulch debris on site. **NO BURNING PERMITTED.**
- Must complete the scope of work to minimize impact of surface vegetation and soils disturbance of organic layer. If using machinery (i.e. mulcher) must use machinery that is operationally suitable for working on soils that are sensitive to rutting and compaction.

General Tender Information

The MD, in exercising its discretion to waive a minor or non-substantial irregularity in a Bid, shall follow the guidelines provided below:

	IRREGULARITY	RESPONSE
1	Late Bids (submitted after the 12:00 pm local time on the tender closing day)	MD discretion to accept/reject bid.
2	Unsealed Bids	Automatic rejection, do not open the Bid
3	Bid not completed in non-erasable medium and not signed in ink	Automatic rejection
4	Incomplete Bids / partial Bids / all items not bid upon	Automatic rejection except where the tender form clearly states that an award may be made for individual items or where, in the opinion of the Senior Management Team and the Department Manager, the irregularity is trivial or insignificant
5	Qualified Bids (condition or restriction on the Bid)	Automatic rejection except where the change is requested by the MD, or the MD deems the change to be trivial or insignificant.
6	Bid not properly executed (signature or seal)	Automatic rejection
7	Mathematical errors	May be accepted if corrected in the checking/review procedure. Unit prices shall be used to correct extensions.
8	Bids received on documents other than those provided in the Tender	Automatic rejection unless, in the opinion of the Senior Management Team and the Department Manager, the matter is trivial or insignificant.
9	Erasures, overwriting, corrections, or strikeouts not initialed:	
a)	Changes which are minor (i.e. address, clerical error)	May be accepted, time limit given to initial change
b)	Unit prices have been changed but not initialed and the Bid totals are consistent with the price as amended	May be accepted, time limit given to initial change
c)	Unit prices have been changed but not initialed and the Bid totals are <u>not consistent</u> with the prices as amended	Automatic rejection
10	Minor clerical errors	May be accepted, time limit given to correct and initial
11	Other minor irregularities	The MD shall have the authority to waive irregularities deemed to be minor and immaterial, using a consistent approach to fair practices.
